

Support your Alma Mater While You Shop – Use Scrip

What is scrip? Scrip is a term that means "substitute money".

When the Catholic Schools of Broome County's participants purchase scrip gift certificates, they're purchasing negotiable gift certificates that are used just like cash. These cards and certificates are the same as those purchased at the stores. The scrip is issued by national and local retailers where many of you already shop. These merchants want to support non-profit organizations, and in return ask you to support them by shopping with scrip at their stores. You can use scrip for everyday purchases like food, clothing, and other essentials, and with every purchase they earn revenue for our organization. These cards make great gifts: birthday, Christmas, bridal, anniversaries, and more. Save a trip to the store and purchase your certificates through us.

Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount and our schools buy the scrip at the discounted rate and re-sell the certificates to you at face value. The bulk of the discount - from two to fifteen percent or more - is retained by us. This is a discount not otherwise available to the purchaser and there is no additional cost to you. If you buy a certificate for \$25 it is worth \$25 to you. You actually generate revenue for us through purchases you would make anyway. Groceries, clothing, toys, gifts, and even gasoline can be purchased with scrip. If we were fortunate enough to have 150 families participate, it is estimated they would easily spend between one and two million dollars per year on food, clothing and other essentials. If these families used scrip for these purchases, they could raise as much as \$40,000 to \$80,000 per year for us - without spending an additional penny! All proceeds will be used to support the Catholic Schools of Broome County.
